Dolly's little black and white face on the internet at 4 Months old started our crazy and exciting ride into raising and selling longhorn cattle. And she will finish here at TS Adcock Longhorns with Terry and me. CC Blue Dolly had to be put down Aug. 16, 2022 for health issues. Even to the last she would come over for scratching and cubes. She was 16 years old. Our hearts are broken. Loved you to "the moon and back" sweet lady.
