Leoti means "prairie flower". She is sired by 98" total horn, Zargus Eot 34/6, a son of the phenomenal Boomerang CP, that produces large, well conformed calves that have done very well in the show ring. Leoti's dam is a 72" TTT daughter of TDJ Super Hero, a Phenomenon son. She has size, is an awesome dun and white color, and will have a lot of horn. All of Leoti's offspring will be Millennium Futurity eligible.
