Sagebrush's sire, 78.50" TTT and 100.25" TH, TS Lone Star 22/5, carries the genetics of Concealed Weapon, JP Rio Grande and SDR Rios Dotty 1. His 72.50" TTT dam is a daughter of JP Rio Grande and WS Rainbow making her a full sister to WS Amazon. Wow! That is a lot of jam-packed genetics! There is 6- 80's and 1- 90's in his pedigree not to mention all of the 70's! All of his future offspring are Millennium Futurity eligible.
